

THE HABERSHAM SCHOOL

Established 2012

Extended Day Program - 2019-2020

The extended day program, offered after regular school hours, extends the Habersham school gives parents peace of mind knowing their children are under the supervision of ... while allowing students the opportunity to foster friendships outside of regular school hours.

For younger students, ... offers supervised playtime while elementary school students benefit from study time followed by recreation time. Middle school students enjoy study hall followed by structured play or athletics.

Throughout the year, various fee-based programs are also offered to elementary school students to creatively engage them in the afternoon.

These services provide parents the benefit of a later pick up time. To reserve your child's place or ask general questions, please contact aftercare@thehabershamschool.org

Extended Day: PK3 - 2nd Grade: 3:00-5:30 pm Students need to bring an extra snack beyond what is packed for the school day. After a brief snack time, students will have outdoor recreation or play enrichment games inside. Drop-In rate offered.
