

THE HABERSHAM SCHOOL

Established 2012

Dear Parents and Students,

We wanted to update you on Habersham's response to this unprecedented time. Like other private and public schools, we are closely following the state guidelines and mandates regarding COVID-19. Our faculty have implemented online learning and at-home lesson plans for students and parents.

How does this all impact Admissions?

A few changes we have quickly implemented:

- Open Houses and Patriot Previews are now Live Video Chats! Every Tuesday and Thursday prospective families can sign up to join one of these "tours." [Click here to schedule!](#)
- Shadow Day Assessments and Classroom Visits are now via video chats with a Lower, Middle or Upper School teacher! An easy and interactive way to get to know your child a little bit better.
- Entrance Exams: Rising 3rd Grade-Rising 12th Grade: Personal time to enter the school building and complete this online test. Our Admissions Assistant, Ana Tucker, will proctor these tests. We continue to follow the CDC recommendations of sanitizing surfaces and keeping 6 feet apart. Only you, your child, and Ms. Tucker will be present in the building during testing hours.
- Parent Interviews are now just a video chat away! These will be scheduled at your convenience.
- All Tuition Assistance deadlines have been extended to July 1st. [Click here for more detail.](#)

No matter where you are in the Habersham application process, we are striving to support your family and are continuing to offer guidance as you seek the best educational future for your children.

Please do not hesitate to ask questions. We are here and working regular business hours Monday-Friday 8:00 am-3:30 pm. I can be reached via phone, email, or text!

Blessings to you and yours,

Lauren Key
