

Uniform Updates!

We have made a few tweaks to the uniform guidelines, and we think you'll be excited! All our changes were with the desire to make the uniform easier to navigate and more flexible!

Pre-K: We made the uniform official that was already in use, primarily to reduce confusion for new families.

K-2nd: We broadened the shoe options and sweater options and have added a windbreaker and a new sweatshirt at Bahama Joe's.

3-5th: We instituted a skirt length and broadened the sweater options for flexibility.

6-8th: We instituted a skirt/skort length, so no more wondering if your daughter's skirt is okay. We broadened the sweater option for girls and added a new skirt style.

9-12th: We've added a skirt style that is comfortable and flattering. No other changes. It was already great!

New additions!

- Windbreaker
- Long-sleeved PE shirt
