

Middle School Students,

We want to thank you for a great year! We are genuinely looking forward to next year. Attached is your summer reading assignment. The list is designed to give you choices that will encourage a love of knowledge and reading.

We also recommend building up your typing skills, as it will be tremendously valuable as you transition to typed reports, which will grow as you progress into high school and college. Now is the time to learn accurate typing, not to hunt and peck, which is much slower!

We suggest just 4-5 hours of typing instruction spread throughout the summer.

Here is a program we have found successful: www.typingclub.com.

Have a wonderful summer and we will see you in August!
