

Rising Seventh Grade Students,

You've had a great year, and we are so excited to see you again in August!

Please find below your summer reading requirements. Note that one book is required and you have the opportunity to choose another book from the list provided. These are all great reads - perfect for summer. You do not need to complete a log or summary this summer, but be prepared for an assignment on your reading when you return to school.

Have a great summer,
The Middle School Team
