

Rising Sixth Grade Students,

Welcome to Middle School! We are so very excited to get to know each other in August!

Please find below your summer reading requirements. One book is required for the two required books; you can choose another from the list provided. These are all great reads—perfect for summer. You do not need to complete a log or summary this summer, but be prepared for an assignment on your reading when you return to school.

Have a great summer,

The Middle School Team
