

After Care 2026-2027

What: After Care is a service provided by the school that allows parents who work or need flexibility in their schedule a later pick up time. Elementary students are offered supervised play/storytime and reading time. Middle school students enjoy recreational activities followed by study hall. Students should pack an extra snack beyond what is needed for the school day.

When: After Care is from dismissal to 5:00 pm. Immediately after dismissal, if a student has not been picked up, they are checked into After Care. On early dismissal days and holidays, there is no After Care. In cases of weather emergencies, children must be picked up immediately.

Where: All After Care activities will take place on the playground/picnic tables, in Durham Hall, or in the appropriate classroom for conservatory students.

Pick Up: Parents should drive around to the Durham Hall entrance, where they will be able to pick up students from the playground or Durham Hall. If the students are inside, there is a walkie-talkie outside the door to communicate with the teacher inside. The doors to Durham Hall remain locked at all times. Please do not leave with your child until it is clear with the teacher on duty that they have been checked out.

Fees and Rates : After Care fees are billed on a monthly basis to your FACTS account and are assessed as soon as your child is checked in for the day. Students not picked up by 5:00 pm will be charged a late fee.
